ABC Investigators Post Revocation Notice in South San Francisco

South San Francisco – ABC Investigators have posted a Notice of Revocation at Christy's Bar and Grill located at 309 Airport Blvd. in South San Francisco. Today's action means the location may no longer sell alcohol.

ABC revoked the license because the co-owner of the business purchased alcohol and cigarettes from an undercover officer believing the items were stolen. Attempting to receive stolen property is a violation of both section 664 and 496 of the Penal Code. ABC investigators went undercover multiple times to develop information that has resulted in the revocation of the license.

ABC initiated the investigation due to heightened concern about the location in the community.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Dale E. Bonner, a member of the Governor's Cabinet.
